

ROSLYN SCHOOL ACTIVITIES PROGRAM 2016/2017

We would like to introduce the Roslyn School Activities Program line up for the 2016/2017 school year.

Schedules and fees may be found below.

Course descriptions and forms may be found online at roslynhands.org. Click on “FORMS” to download Home and School form as well as the registration forms. Both forms are required for sign up.

Please follow us to receive notifications and updates.

Registration will be held on **Thursday September 22nd from 4:30-6:15 p.m.** in the main gym at Roslyn School. Registration WILL close promptly at 6:15 to allow for Governing Board meeting to take place at 6:30 and visits with teachers starting directly afterwards.

We are very proud of the diverse offerings of the Activities Program, particularly those in the after school line-up, and hope that you will be able to find something which would engage and enrich your child's school experience.

Before enrolling your child/children in outside programs please consider the many options available and the convenience offered by enrolling your child with us at Roslyn.

Homework Program:

We are also pleased to announce the return of the “Homework Assistance Program” offered to **all children enrolled in the after school activities program ONLY on the day(s) for which they are registered in an after school activity.** This program is being offered by the Trevor Williams Foundation and is free of charge. This will allow you to pick your child up at 5:30 even if their activity class finishes at 4:30 or 5:00 o'clock. We however require that **ALL** children be picked up at **5:30**, which is the latest finish time for all activities. **Late fees will be applied and your child/children will not be allowed to return to the program until fees are paid in full.**
