

Volunteer Form (HandS) 2017-2018

Family involvement is what makes Roslyn exceptional!

What is HandS? We are a parent-driven organization at Roslyn that coordinates lunch time and after-school activities, library and health room volunteers, the new vegetable garden, class photos, fundraisers such as Pizza Lunch, and community-building events like the Welcome Back and Open House parties. None of this could happen without the help of incredible parent and grandparent volunteers. There are so many ways to help, big and small - please read the list below to find something that suits you!
